The Day The Spirit Of God Moves

So often I've heard revivals happening in books that I read, and in video clips that I watched. It never occurred to me that God would use a group of inexperienced young adults who came from United Kingdom to demonstrate His awesome presence in such a tangible way. This took place in a village up in the interior forest of Mae Tho mountainous region. The Spirit of the Lord manifested during the evening revival meetings, and every person who came forward in response to the preaching of God's Living Word received instant healing, being baptized with the Holy Spirit, delivered from demonic oppression in the name of Jesus. Some members of the UK team had never prayed for others before in their lives, but God's sovereign presence was there to demonstrate His love for these villagers in a special way.

Some of you may asked, "why did the Lord use this team in such a powerful way and not with my team"? I believe the secret for all these "Power Encounters" started with hard work of Fast & Pray, which some team members did in their preparation for their short-term mission trip to Care Corner Orphanage.

Psalm 127:1**

Dear Friends

Praise the Lord for His provision! The Lord placed the burden and vision in our hearts to look after these little children who live amongst the poorest of the poor. By His grace, He moved the hearts of His people to give unconditionally. The photo behind is the second phase of construction work for Care Corner Orphanage Foundation’s children’s home in the interior mountain of Mae Tho, Thailand. This will be a home for 50 children.

Presently, there are 16 children at this home, and the rest will be coming when the building is done. The building phase actually requires the “lighter” measure of faith. It is the perpetual running of this home for 50 children in the mountain and 60 children in Sanpatong, Chiang Mai that needs the “greater” measure of faith for us to go on. That is exciting! For Hebrews 11:6 says, “And without faith it is impossible to please God,”... For those who would like to partner with me in this “race” of Faith through children sponsorship please drop me an email. On the inset photos are the completed first phase of the building and some photos of the 16 children.

**All for Christ
