

MERRY CHRISTMAS & BLESSED NEW YEAR

Care Corner Orphanage Foundation

December 2005

You have made a difference in a child's life...

The staff and children at Care Corner Orphanage wish to greet all our friends, partners and sponsors a "Merry Christmas & a Blessed New Year". May the Lord bless you richly in the coming year.

Give Thanks

We thank & praise God for:

- **The growth of the children**
That the children would thrive in their cell groups at Care Corner and excel in their Thai public school education
- **Providing educational expenses for older children**
School fees increase as they enter secondary education and beyond
- **Continued "open doors" for community ministry in Thai schools, villages, and even temples.**
- **The ongoing sales of the native handicrafts produced by the children & staff of CCOF**
- **The funding for CCOF staff salaries of Thai nationals**
