The Vision of a Worship Center for Care Corner

“We bring a sacrifice of praise into the house of the Lord.....!”

The music is playing, small hands are clapping, and the energy packed little bodies nearly 100 Thai children are bouncing along as their voices sing passionately to the Lord in grateful praise to Him.....

“And we offer unto Him, a sacrifice of thanksgiving....”

The pain of their life stories are deeply heart wrenching. Yet now they have become a source of wonder and amazement as we see the redeeming power of our God displayed in their lives....

“And we offer unto Him, a sacrifice of joy....!”

This experience of worship, energetically led by the Care Corner children themselves, is a powerful experience. Children from all over Thailand..... once abandoned by the world.... And now being used by God to directly minister to your own soul.... when you participate in it personally, you are never quite the same again. Your view of the Greatness of God – your view of what He can and is doing in this world - is changed forever.

Hearts that love Him.

Hearts that trust Him.

Hearts that call out to Him in joy and gratitude.

Hearts that gladly surrendered their whole lives to Him.

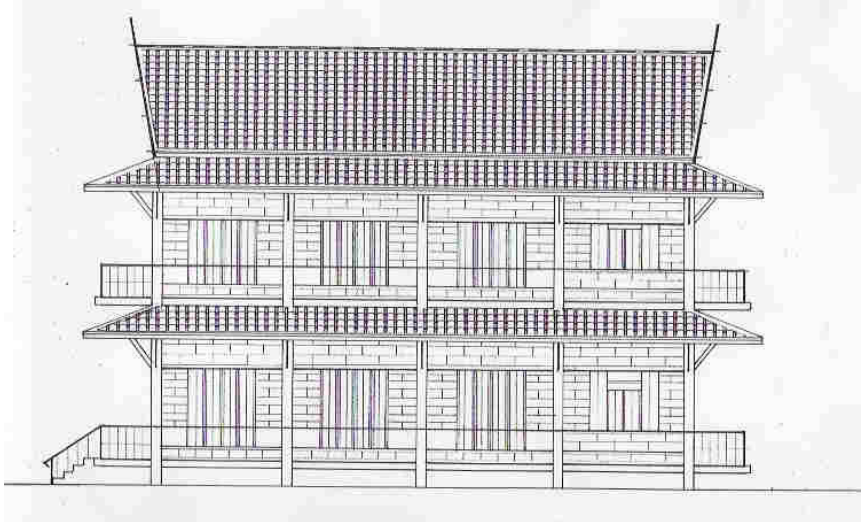

This is the true fruit of the ministry of Care Corner Orphanage Foundation

And now the children of Care Corner are asking God for a Thai style worship center...

A Thai style building that is culturally sensitive and attractive - to draw in the local Thai people that they might hear the saving gospel of Jesus.

What the children are describing is this: A modest, two storey, wooden traditional Thai style structure of approximately 19m X 11m.

To building such a structure on the grounds of Care Corner will cost approximately two million Thai baht, or around \$58,000 US at current exchange rates.

Under the spiritual leadership of Ricky and Lay Hwa Tan, the children of Care Corner have developed a heart for the spiritually lost millions in Thailand. They have been learning ministry skills to reach out to those who are lost.

And now they are asking God for a worship center. A place where He will be lifted up and those who don't know Him will experience Him in a unique way.

This is an opportunity for us all. An opportunity to be further used by God in the lives of the children and thru them, in the lives of Thais in Sa Pa Tong, Northern Thailand and across the SE Asian region...

If you are like me and God is leading you to increase your involvement in the ministry of Care Corner, please contact them with news of your plan to be part of the building of the new worship center...
