## **Rainbow Home Children of CCO**

Rainbow Home (children infected with HIV) was established in 1997. Since then, we've seen more than a dozen of children infected with HIV passed on after succumbing to AIDS related diseases at CCO. Praise God for modern medication and food supplements! Today, these children are able to live on unlimited years ahead. The oldest amongst them is, 14 years old. If not for the grace of God and their personal relationship with Him, you will not see these smiling faces in our home.

## ***“It’s Never Too Late To Serve In Missions”***

At the age of 52, I’ve almost always acted as a big brother if not “uncle” to most short-term missions groups who came to Care Corner Orphanage. I was filled with awe when the Discipleship III bible study group from Barker Road Methodist Church, Singapore came. They changed my status!!! I became the baby amongst them.

With full of zeal and biblical reservoir of God’s Truths, they imparted the Living Word of God with gusto and accuracy combining with prophetic utterance.

Someone once said about the normal Christian’s life, *“they never retired, but re-fired, never reduced, but reproduced, never discharged, but recharged...”* and so on. I hope this could be a lesson for all to learn.

All for Christ

## ***Prayer & Thanksgiving***

---

Praise God for:

- an air-con van given by a friend to CCO
- Napadon (a 16 year-old boy at CCO) speedy recovery from Dengue fever.
- TH฿300,000 Baht raised through FGA Church in Singapore for CCO’s Worship Sanctuary. We still need 1.4 million Baht to clear the loan.
- a new oven contributed by Discipleship III team from Barker Road Methodist Church, Singapore.
- His continuous financial support even during the present global economy crisis.

# *Letter from a 16 year-old student*

Hey Pastor Ricky!

I'm Rosanne from Fairfield Methodist Secondary School emailing you from Singapore. :) I'm one of the students who had the chance to visit Care Corner Orphanage early this year. I just want to thank you for giving me a great opportunity to visit the orphanage. I can see that God's moving strongly! I was really impacted by what you've done, and I've always wanted to do the same to make a change in the children's lives.

My church mission trip for this year is to 3 countries. One of them is Thailand, where we'll do street evangelism, healing ministry, etc :) And I'm looking forward to going to Thailand again! I would also like to go back to the orphanage and bless the children there. But meanwhile, I'm thinking of how to raise funds for the children. God gave me a vision, that one day the people in the Care Corner Orphanage will not just be children that are lucky to be found by you and given a good place to stay, but they will rise up, and share the Gospel to everyone. They will show Thailand how real God is and what He has done.

God has done so much for me in my life, my dream is to see the people in Chiang Mai come to know Christ, to know my Heavenly Father, and that they will see His goodness and Grace, and they will spread the Good News to others too!

I'm looking forward to going back to the orphanage again end of this year :) Continue the excellent work you're doing, and may God's light continue to shine upon all of you. I pray in faith that these children will grow and become awesome testimonies to others that have yet to know Christ, and more people will start coming to know Him through these young people that are living in the orphanage. I pray that God will continue to lead you & guide you in helping these children as you serve Him. :)

I'm truly blessed by the work you've been doing, and I am looking forward to visiting y'all :) I'll keep you all in my prayers.

Much love,  
Rosanne from Singapore :)

## Visitors' Corner

*Full Gospel Assembly, Singapore* came with a team of 5 people in May-June. They came equipped to minister to the spiritual and physical needs of the children and adults.

*Take Me To Asia* (a Christian Travel Agency from Singapore) sent us several teams from UK, Singapore & USA. They came prepared to work in developing and beautifying CCO.

Individuals like Alese from USA, came to experience missions in real life. She spent 3 weeks of teaching English, playing with the children and sharing God's Word with our children at CCO
