### Tanjong Katong Secondary School (Singapore) Educational Trips with CCO & Displaced Karen Tribe

According to some human rights non-government organizations, the army of Myanmar has forced thousands of members of ethnic minorities out of their homes

They have found that there are more than 500,000 displaced people in eastern Myanmar, formerly known as Burma. As many as 99,000 are in hiding, 109,000 are living in army relocation camps and 295,000 are living in areas controlled by armed groups with cease-fire agreements with the government.

Due to Nargis Cyclone in Myanmar, Care Corner Orphanage Foundation has been working hand in hand with the Myanmar Refugee Settlement Christian groups on the Myanmar/Thai border since last month. The Lord has opened the doors for us to minister spiritually and help in practical ways with the Myanmar/Burmese refugees.

Service Learning Trip in Care Corner Orphanage

## Joycelyn's Testimony

Pastor Ricky,  
I am Joycelyn Lim, a team member from the Fairfield Team that just visited the orphanage. I would like to thank you for the hospitality that you and your wife have shown us. I am very glad that you have given us the opportunity to visit and help the children there. The children there have really touched my life, and I have really learned a lot from them. During the time spent with the children, I have especially gotten closer to one of the children called Apple (I am unsure of her full name, but this is the name she told me to call her), and I hope that you can show her the attached pictures, and translate the following message to her. I would appreciate your help very much.

Apple,  
Do you remember me? I really enjoyed the time spent with you, and would like to know you better. Hopefully, I would be able to visit you later in the year, and spend more time with you. I thank you for the cute souvenir that you have given to me and I will treasure it very much. And I would also like to thank you for teaching me more about life, and your faithfulness to God has really touched me deeply. I really miss you and hope that you will remember me.

Love, Joycelyn

Hi girls,

I do not know your names, but over the time I spent with you all has really made me feel very blessed. I thank you all for your company and I will keep all of you in my prayers. I miss all of you and I wish I can be there with you all now to play with you.

Love, Joycelyn

Thank you Pastor Ricky, my friends and I hope to visit you all again at the end of the year. We are unsure because we need to gain permissions from our parents, and also we do not want to impose on you and your wife. I would like to take this opportunity to thank you and the staff at care corner orphanage for showing us so much hospitality, and also your kindness towards us. I really appreciate all that you and the staff have done for us.

Thank You

Sincerely,  
Joycelyn Lim
