OUR WONDER GIRL

Khoti has been with us since the age of 5. She was born with the HIV virus. By God's grace she is now healthy and lives a full life. In a recent school track meet, she was first in the 100 meters and the 200 meters! We praise God for His sustaining grace in Khoti's life. She is not merely surviving, but is thriving! Because of your involvement at CCOF she is able to truly live the abundant life Christ promised His followers.

Though a daunting faith project, the new worship center is taking shape! This facility will be a foundational piece in Care Corner's long term strategy to equip their children to be world changers for Jesus. This Thai style multi-purpose building will be a hub for ministry skills training, community outreach, and follow up of new believers in the neighborhood around us. We believe the children will experience powerful spiritual growth and equipping as they use this building to learn the real skills of ministry to non-believers and believers alike. Worship, spiritual growth classes, equipping seminars, opportunities to teach, and an environment where they can learn spiritual leadership are just a few of the important uses for this place. Please consider being a part of God's plan to finish this important project. Email us for an update on our progress.....
