God has brought 10 new children to Care Corner (Part 1)

PRAYER POINTS

Recently, the Lord has been speaking through various visitors to CCO about setting up a new home for abandoned babies for overseas adoption. We feel the Lord wants us to proceed since we have been given the permit by the government to have 50 babies to our care. Please pray with us about setting up another home in Chiangmai for new born babies for adoption.

Please pray for them!

Two brothers and a sister of Lisu tribe from Mae Hong Son northwest of Thailand

Suchat Thurja - Secondary School level 2

Suvit Thurja - Secondary School level 1

Kunlaya Thurja - Primary School level 5

Both parents recently died in tragic incidents. Their mother committed suicide by drinking poison. Afterwards, their father was killed in Chiang Mai, the victim of a hit and run accident in May of this year. Their grandfather attempted to care for them, but is already taking care of 12

Suvit 13 years old

Suchat 16 years old

children. He was not financially able to raise them and so brought them to Care Corner this month. These children have been thru so much pain. Please pray God will use our staff and Christian children in CCOF to touch and comfort them in this extremely difficult time in their young lives.

Those interested in sponsoring a child please write to email address: cctricky@loxinfo.co.th

What will be the future for a young girl like Orawan....?

Orawan Pansalee – age 9. Primary School level 3. nickname - Nam

Orawan is Thai. She comes from a non-Christian background. Her mother is mute. She was raped and conceived Orawan. Orawan does not know who her father is. She loves to read. She really enjoys all the new friends she now has at CCOF.

We at Care Corner believe now is God's chosen time for mercy in the lives of these children. We pray that at CCOF they will be powerfully exposed to the love of the true God thru His only Son Jesus Christ. May Jesus touch and transform their lives into something beautiful for Him!

2 brothers:

Khamsai – Primary School level 1

Apitchat – Kindergarten.

These brothers come from the Hmong tribe. Their father passed away with HIV/AIDS related diseases. Their mother is still alive, but is infected with HIV/AIDS as well. The boys were forced to leave their village and come to CCO because they have been ostracized by their villagers. Khamsai likes playing with children at the orphanage. He and Apichat may have to go for blood tests to ensure they are HIV/AIDS negative.
