Staff Trainee Ladee Sampansinko

When Ladee was a young girl just ten years old, her parents faced a painful decision:

As a very poor family with 8 children, how can we properly care for them all? Their Christian upbringing had instilled in them a deep love for their children and a desire for them to receive the best life possible. Yet it was becoming impossible to care for all 8 children well. They had so little, they couldn't even afford to send little Ladee to school. As loving parents, what could they do?

God led them to send Orphanage, where raised in a loving, with everything she all God wanted her to

Ladee to Care Corner they knew she would be godly environment. filled would need to grow to be

Ladee describes her childhood experience this way. "I believe God showed His grace and love towards me by providing me a home at CCO, and I have been full of joy since then. I loved to listen to the bible teaching conducted by the staff of CCO and to the visiting speakers. Day after day I grew spiritually in the Lord."

Recently, Ladee was asked to share one area of her life that God had specifically impacted in those early years at Care Corner. "One of my weakest areas of my life when I was younger was my studies. One day, a speaker taught on "asking the Lord for wisdom." So I did. Though I still had to work hard, my grades soared from that day till the day I finished high school!"

Ladee is now 19 years old and serving as a trainee staff at Care Corner Orphanage. It is truly exciting to see God continually raising up workers for His glory from among the children growing up at Care Corner. Her current responsibilities include Rainbow Home leader (Care Corner's special facility for children with HIV, currently numbering 8 children & 1 mother) and cell group leader in Rainbow Home.

In addition, because of her growing skills in English, she is often helping as a Thai/English interpreter with the various international short term teams that regularly join Care Corner for evangelistic community outreach. In the midst of all her work, Ladee is also showing gifting in the area of administration.

The future appears bright for this energetic young woman of God. Care Corner is truly blessed by her ministry among the children and the staff.

"I am filled with joy staying and serving here. I have nothing to boast except the Lord Jesus. During my years here at Care Corner, He has blessed all my family members. My parents have their own house now. Many of my siblings are married to Christian life partners.

Very soon, in the month of October, I will further my studies in English in Singapore. I want to thank the Lord for Pastor Ricky and his family for starting CCO in Thailand, and all the short-term mission teams who came, not forgetting foreigners who are here and who came to serve here too. I also want to thank my sponsors who have helped me to have a better future.

Finally, I want to encourage all from the verse found in the Hebrews 6:4 "God is not unjust; He will not forget your work and the love you have shown Him as you have helped His people and continue to help them. God Bless You!"

Please continue to pray for God's provision for Ladee as she seeks to leave soon for Singapore to further her training. May God powerfully lead and direct her as He equips her for future service to Him!
