Urgent Pray Needed

Necky's father passed away when he was one month old. His mother passed away when he was nine. Both his parents died of Aids related diseases. Necky was brought to us in May 2011. Four days ago, the doctors (specialists for HIV) said that Necky is not responding to any of the antiretroviral drugs. They have tried everything to help Necky, but in vain. The hospital told us, "to take him back to Care Corner Orphanage, there is nothing much we could do to help him anymore."

Necky is now resting at our home. He is getting weaker each day. Please pray for Necky!!!
